

Plate VIII. Third zoea. Line represents 100 micra.

Fig. 1. First maxilliped. Precoxa, a.
Protopodite, b. Endopodite, c.
Exopodite, d.

Fig. 2. Second maxilliped.

Fig. 3. Telson.

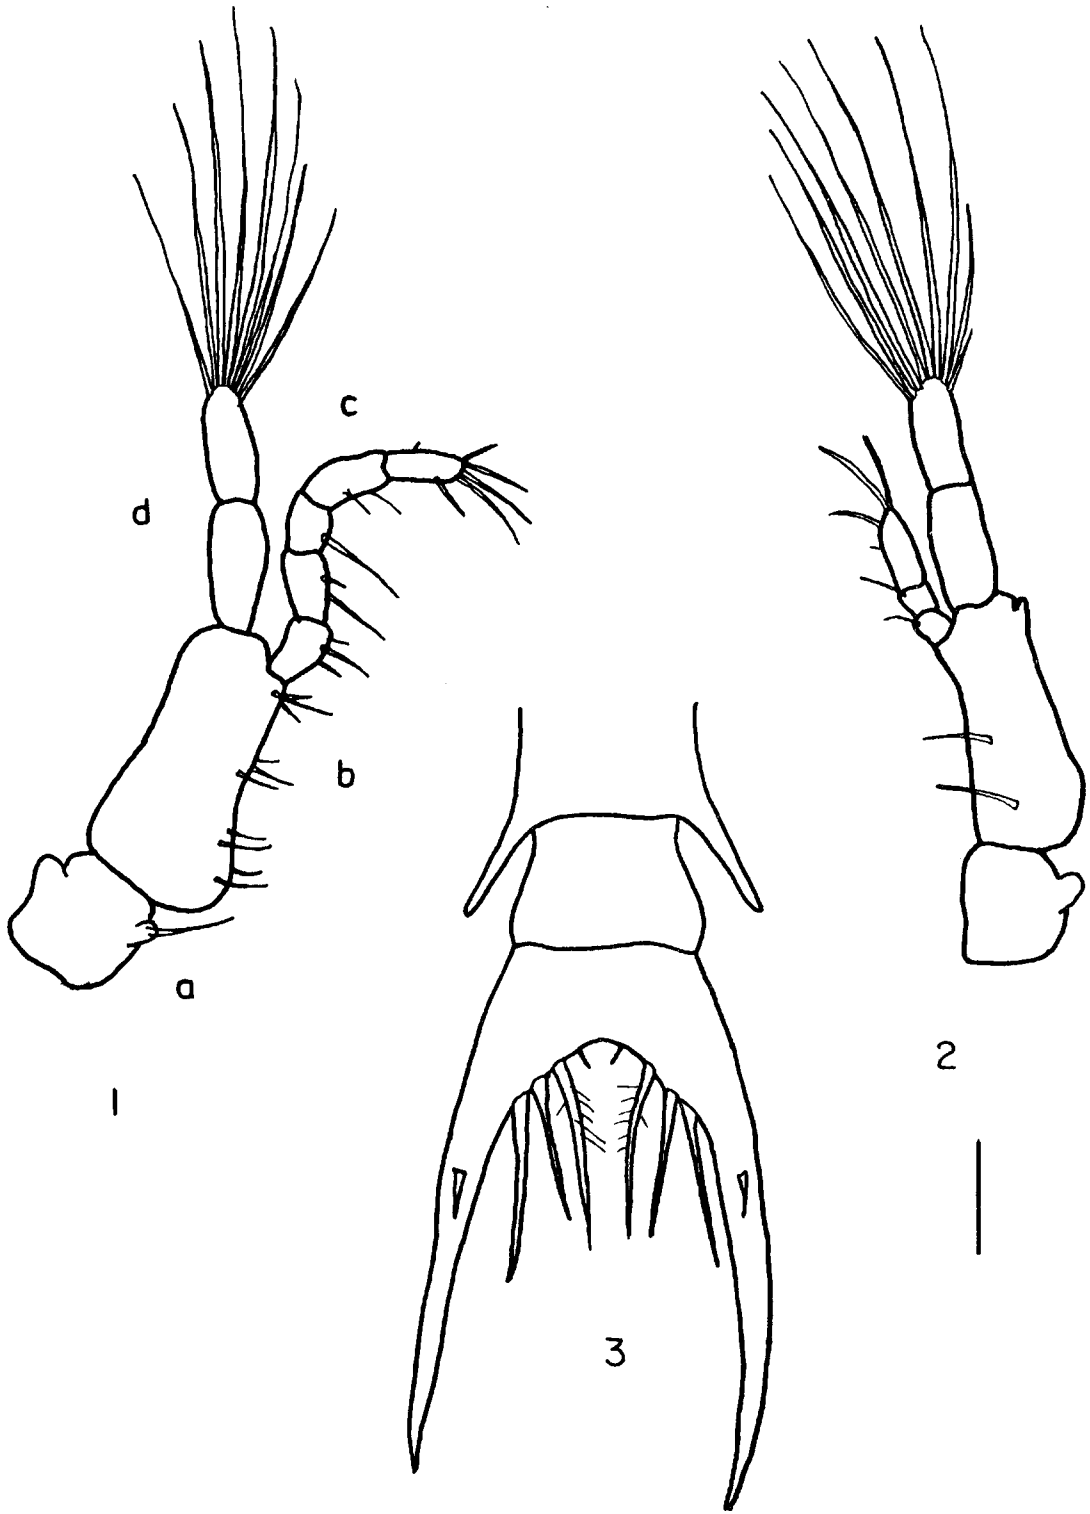

Plate VIII

Plate IX. Fourth zoea.

Line represents 500 micra. Thoracic appendages
not shown.

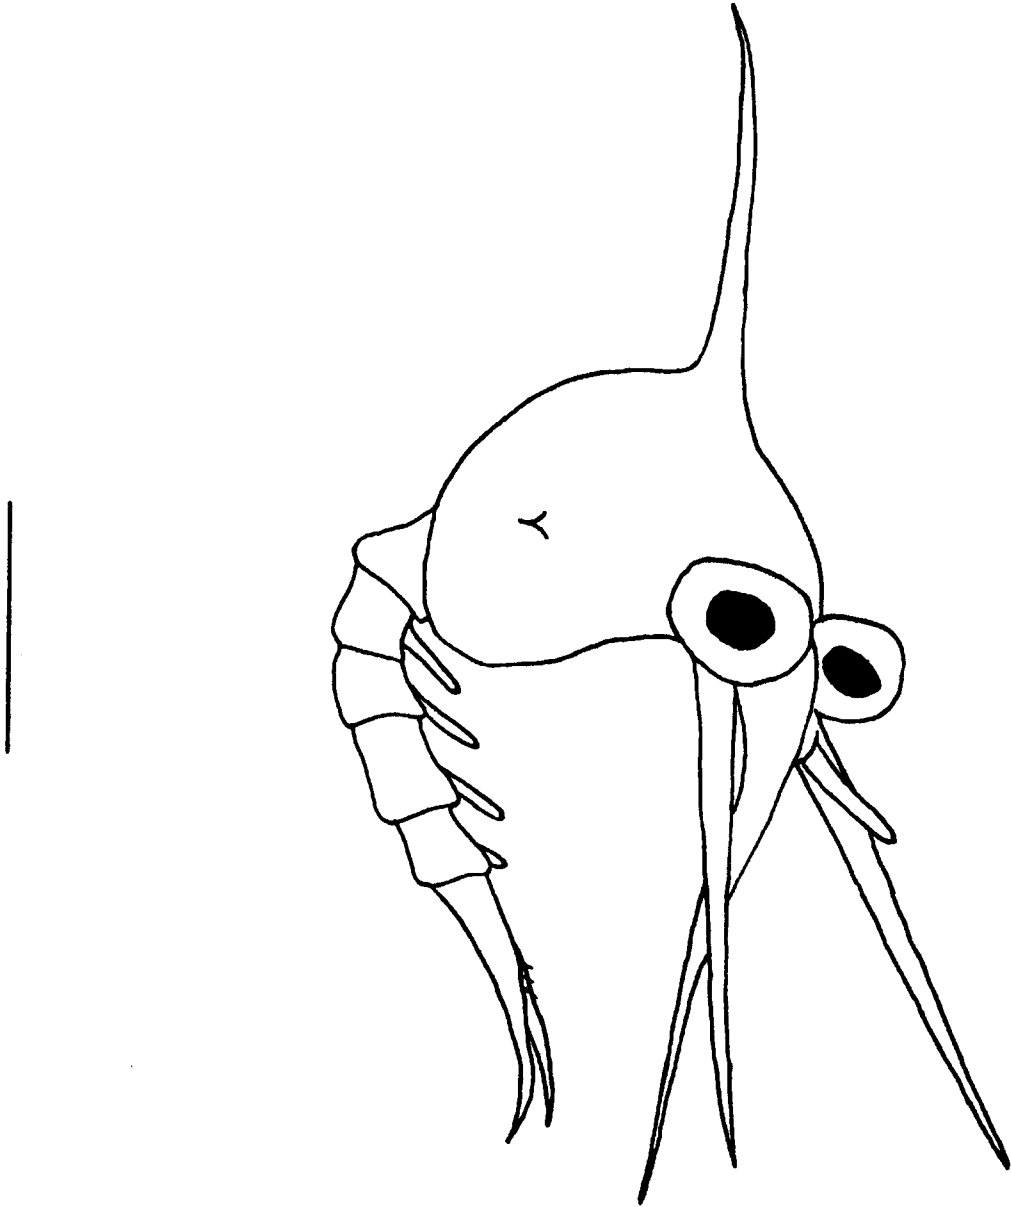

Plate IX

Plate X. Fourth zoea. Line represents 100 micra.

Fig. 1. Second antenna.

Fig. 2. First antenna.

Fig. 3. Mandible.

Fig. 4. Second maxilla.

Fig. 5. First maxilla.

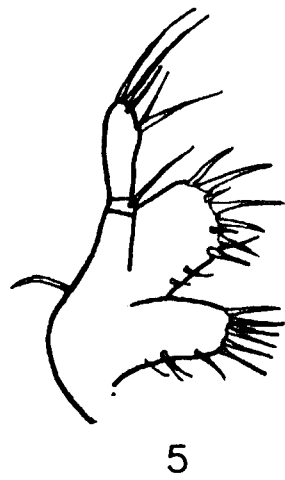

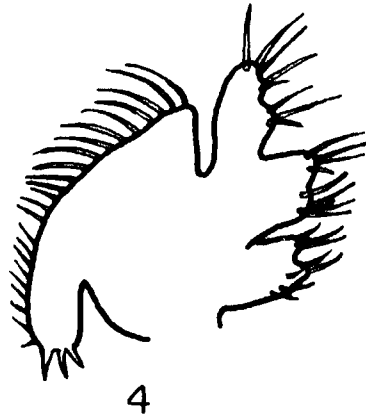

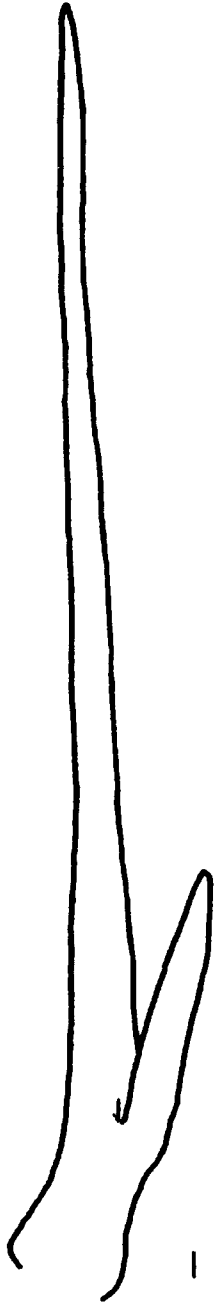

Plate X

Plate XI. Fourth zoea. Line represents 100 micra.

Fig. 1. First maxilliped.

Fig. 2. Second maxilliped.

Fig. 3. Telson.

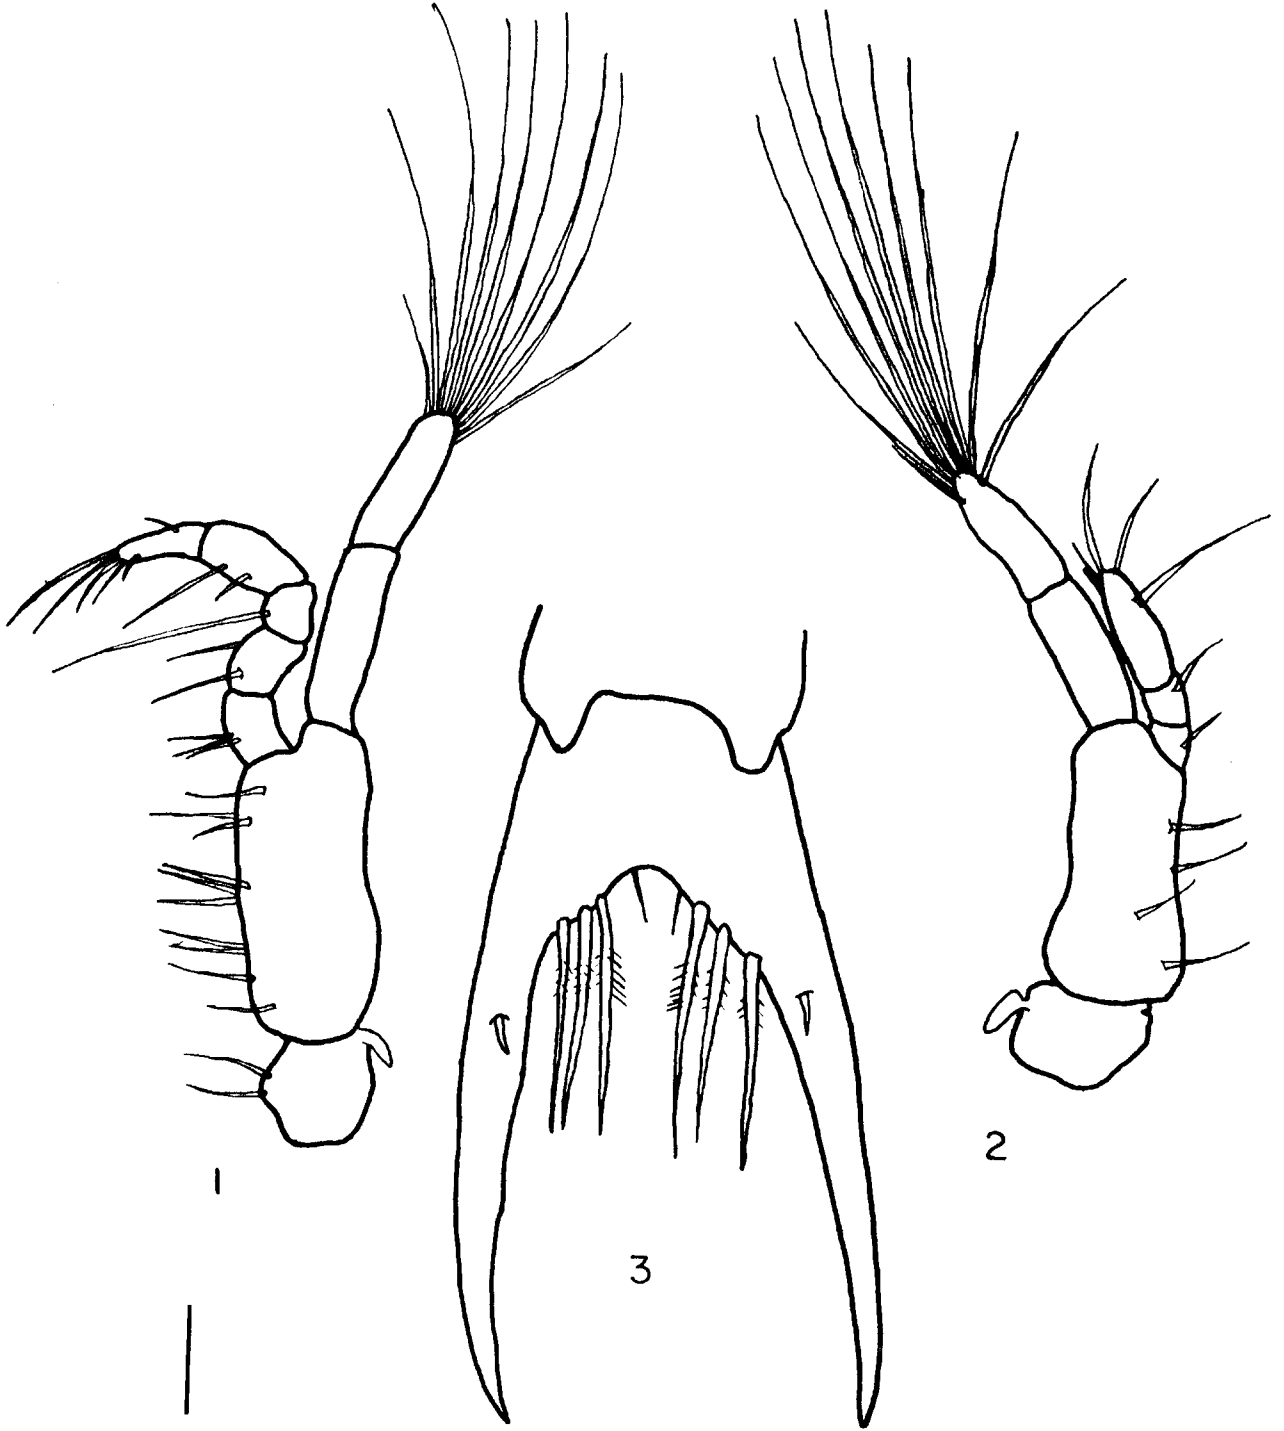

Plate XI

Plate XII. Megalopa.
Line represents 500 micra.

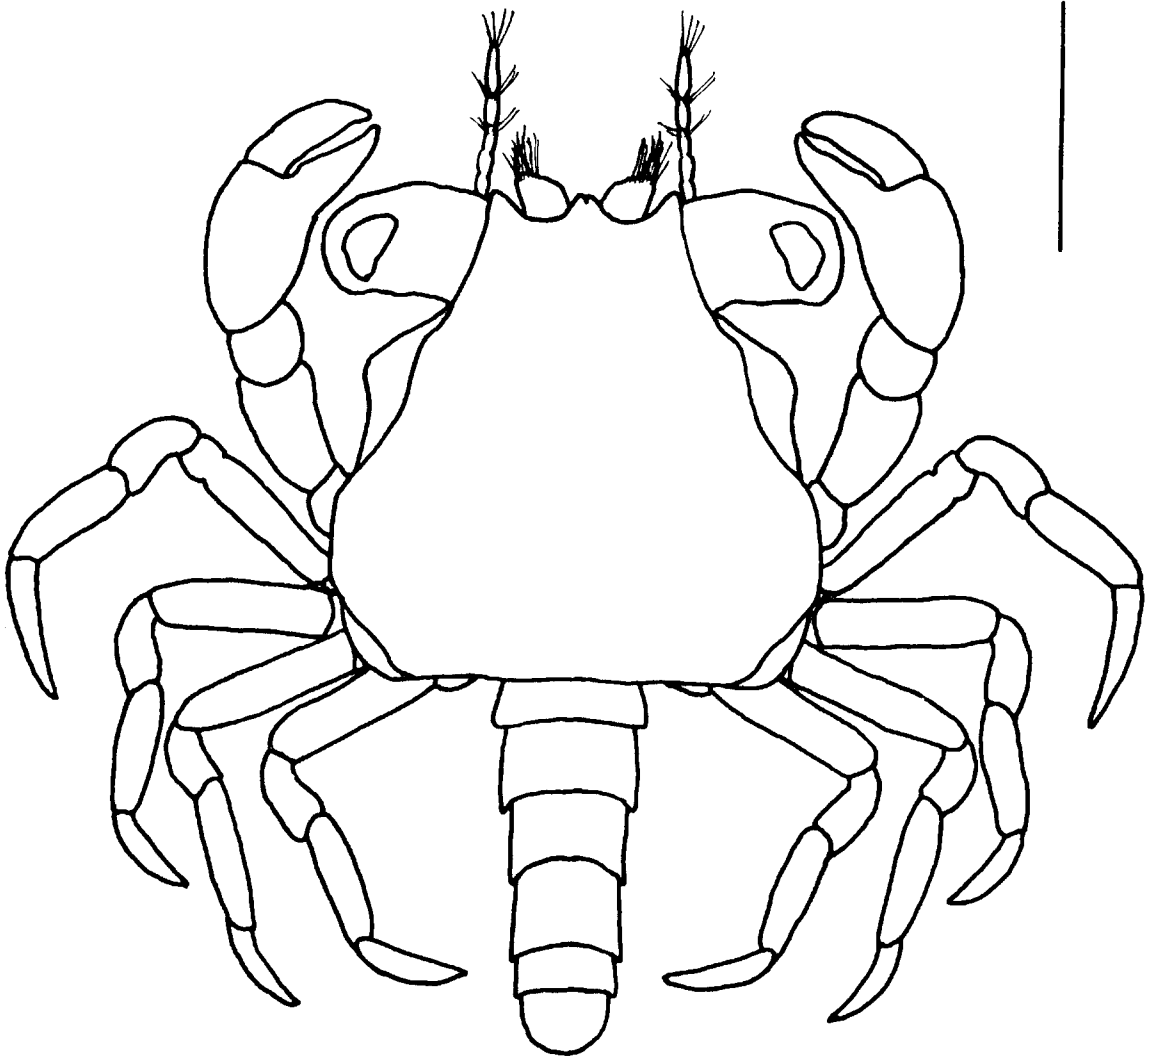

Plate XII

Plate XIII. Megalopa. Line represents 100 micra.

Fig. 1. Second antenna.

Fig. 2. First antenna.

Fig. 3. Mandible.

Fig. 4. First maxilla.

Fig. 5. Second maxilla.

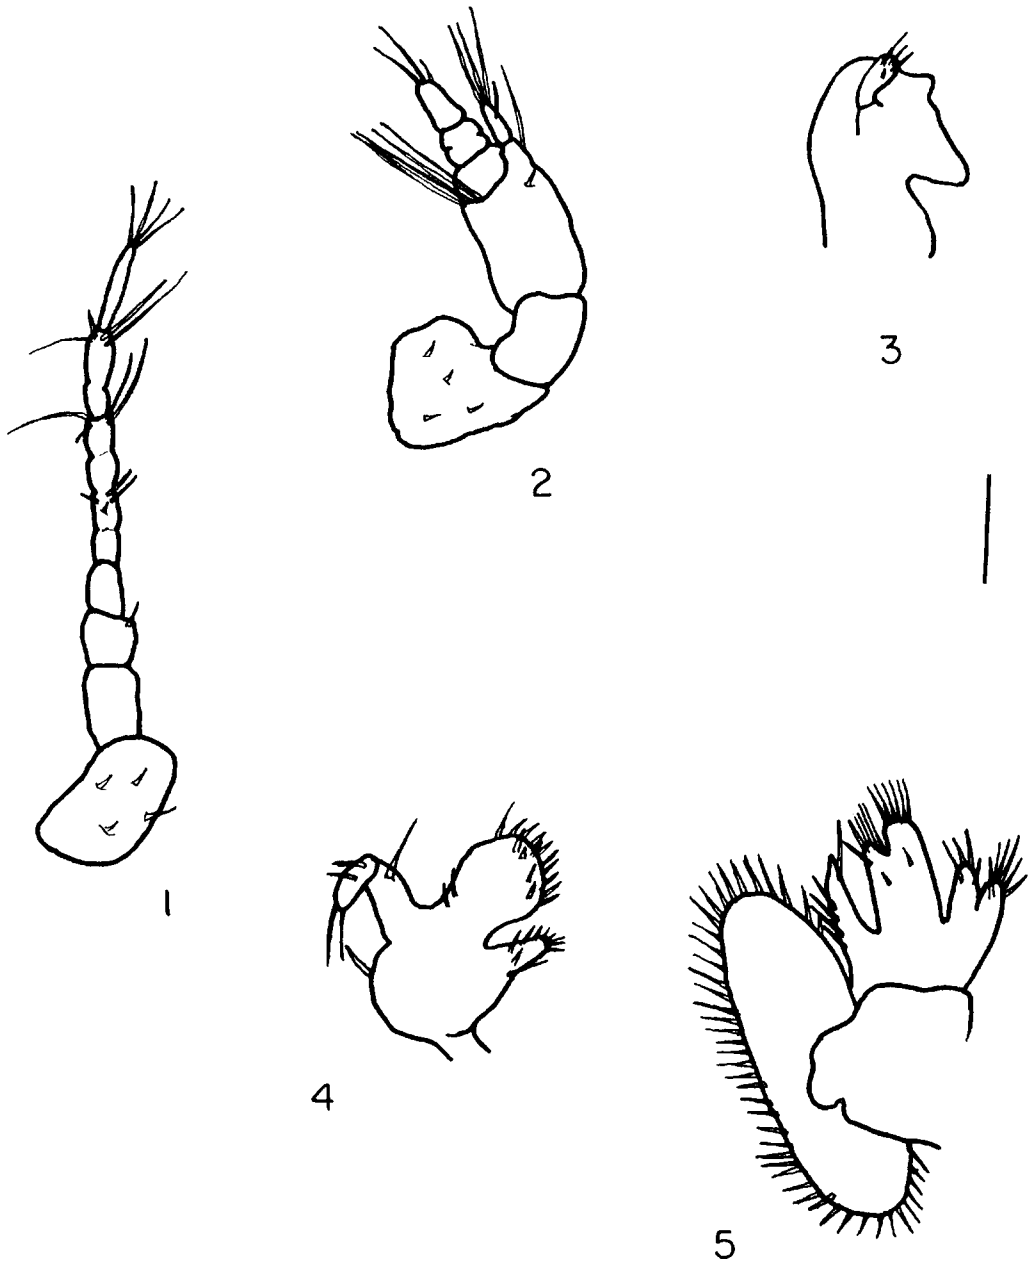

Plate XIII

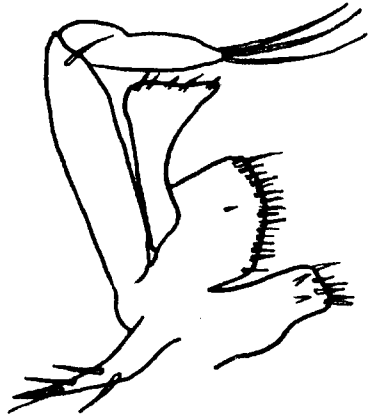

Plate XIV. Megalopa. Line represents 100 micra.

Fig. 1. First maxilliped.

Fig. 2. Second maxilliped.

Fig. 3. Third maxilliped.

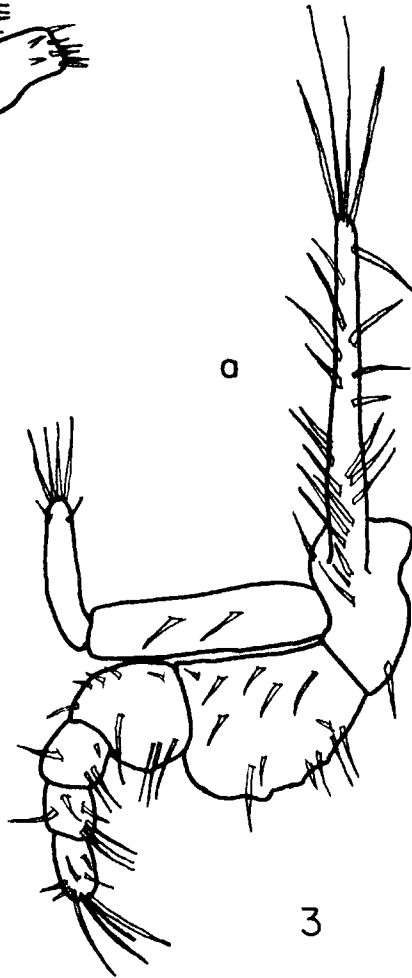

Epipodite, a.
